

Mastering Convolutional Neural Networks Theory and Practice in Python

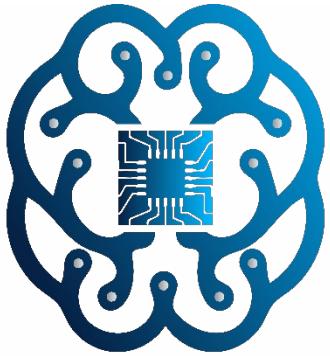

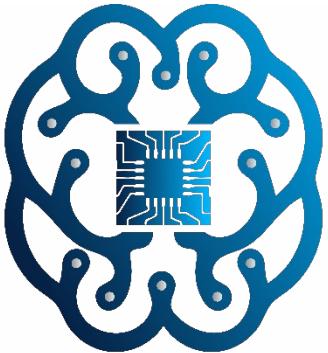

Focus of the course

- Fundamentals

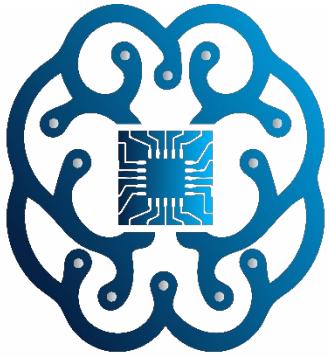

Focus of the course

- Fundamentals
- Pythonic

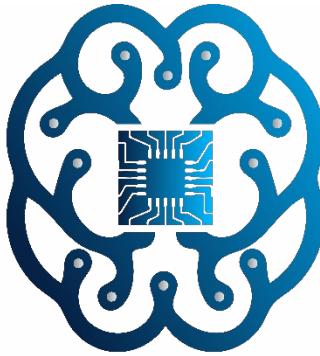

Focus of the course

- Fundamentals
- Pythonic
- Completeness

Focus of the course

- Fundamentals
- Pythonic
- Completeness
- Recent Models

Contents

- Image Processing
- Object Detection
- Deep Learning
- CNNs
- TensorFlow
- Transfer Learning
- YOLO, Face Verification, Style Transfer,...
